

# Automated Vending Manager (AVM)

## Coil units

With our integrated plug-and-play inventory control software and intuitive touchscreen interface, you can set up 1sourcevend's machines anywhere with a cell-phone signal, Wi-Fi or hardline internet connection. Our system goes from out of the box to up and running in hours, not days.

### You will:

- ✓ Reduce consumption by 20%+.
- ✓ Save valuable time with point-of-use dispensing.
- ✓ Streamline purchasing.
- ✓ Receive detailed reporting of usage and spending.
- ✓ Have 24/7 secure access without additional staff.

*Refrigerated and mini-coil units are also available. Please inquire.*

“ The ease of use of the machines is unmatched. It's more user-friendly than any machine I've ever utilized.”
